Membership of the League is restricted to Clubs within the Surrey County border on the East with Kent and the South with Sussex. A North/South line through Dorking/Leatherhead will provide the Western border and the London Boroughs of Croydon and Sutton will provide the Northern most border of the EAST SURREY BOWLS LEAGUE

The Committee will only facilitate the playing rules covering E.S.L. competitions and will never adjudicate or try to influence issues that are exclusively the responsibility of the Member Clubs.

It is solely the responsibility of the Member Clubs to show a Duty of Care and safeguard all participants in E.S.L. games.

7. One Delegate to the Committee shall be nominated by each Member Club. Such nominations are to be notified to the Secretary and should show the contact details of the Delegate or the Club, i.e: Email address and telephone number.

8. Only the Delegate or their representative will be allowed to vote at the Annual General Meeting, i.e. one vote per Club. Any changes to the Constitution requires a 66.67% majority of the Member clubs voting in favour. The Chairman of the Meeting will have a casting vote

10. RULES OF PLAY - LEAGUE

All matches shall be played in accordance within the spirit and the Laws of the Sport of Bowls except as otherwise provided for in these Rules.

11. The two clubs who finish at the bottom of division one will be relegated to division two and be replaced in division one by the top two in division two. League Officers will arrange a Fixed Date fixture exchange between the four clubs soon after the Promotion/Relegation issues are settled each season not later than the AGM. It is accepted that clubs that stay in the same division will alternate the "Fixed date" venues each year. i.e: Home opening day League fixture one year will be followed by an Away opening day fixture the following year. For Clubs who change divisions the same formula as above will be used if possible.

The Club finishing as Champions of the Top division will be presented with a cheque for £75 and will hold for one year "The DON STANLEY Championship Trophy" and the "Championship Flag". The Runner-Up will hold the "East Surrey Bowls League Division One Runner-Up Trophy" for one year. The winner along with the runner up will be presented with a suitable "to keep" award. The Second division winner will be presented with a cheque for £75 and will hold the "Presidents Cup" for one year. The Second division Runner-Up will hold the "East Surrey Bowls League Division Two Runner-Up Trophy" for one year. A "to keep" award will also be made to the second division winning Club and the runner up.

11.1 Clubs will play each other Home and Away each season. Matches are to be played on the "League Fixed Dates" as previously agreed by the Clubs at an AGM. Midweek and alternative dates to the "Fixed Date schedule" are permitted, but only in **extreme circumstances** and by mutual agreement of both Clubs. The Results Secretary must be informed of any changes to the "Fixed Date" schedule.

11.3 In the event of players being absent from one or both teams the match shall proceed no later than 30 minutes after the appointed time. After the time extension if either or both teams are still short of up to 4 players then the game will commence with:

1 short= A Triple playing against a Rink and 3 Rinks vs. 3 Rinks.

2 short= Two Triples playing against Rinks and 2 Rinks vs. 2 Rinks.

3 short= Three Triples playing against Rinks and 1 Rink vs. 1 Rink.

4 short= Four Rinks against 4 Triples.

NB1: The Triples will play with 6 woods against the 8 woods of the Rink(s); therefore, the Triple would forfeit the No. 2 position.

Late arriving players may join the match only up until the conclusion of the Trial Ends.

NB2: If a player in a "sides" game has to leave the game due to illness or any other reasonable cause a substitute may be used. The substitute can play in any position other than Skip.

If a substitute is not available the side reduced in numbers must continue to play with 6 woods against 8. The reduced rink would forfeit the number 2 position. No further penalty.

11.4 All Rinks will be drawn. The visiting Captain or representative shall make the draw to establish the opposing fours, and the rink numbers to be played on. Opponent "Pairing" is not allowed.

11.5 SCORING:- Two points will be awarded to the winner on each Rink. One point each shall be awarded for a tied Rink. Four points shall be awarded for an overall aggregate win. Two points each shall be awarded for an overall aggregate tie.

11.6 An abandoned match with less than 15 ends completed on all rinks must be rearranged, failure to do so will be covered by rule **11.7**

In the event of an abandonment after a minimum 15 ends on all rinks have been played; Result and points allocation would be based on the completed ends played on each individual rinks.

11.7 The Home clubs Greenkeeper, or Match Captain are the only people who can declare the Green unfit for play. Matches cancelled for unforeseen circumstances **must** be rearranged by mutual agreement between the Clubs to maintain the integrity of the League. To rearrange a fixture the Home club should offer within 7 days of the cancelled match 1 weekend date and 2 midweek dates. No team should be asked to play before 9.30am at weekends or before 6pm on weekdays unless mutually agreed.

The League Results Secretary **must** be informed of the details of the rearrangement. Clubs who fail to rearrange a match that directly affects Promotion/Relegation issues will be instructed to play at a time and place deemed to be fair to both Clubs by The League Officers.

Should it prove impossible for The League Officers to be able to reach a measure of agreement between the clubs on a date and time then the result and points allocation will be 10 points and 10 shots to the non culpable club and 2 points and minus 10 shots to the culpable club. Decisions taken by The League Committee will be final and will be seen to be fair to all other members of the League.

NB: Should a Member Club fail to honour a fixture twice in any season it should be assumed that they do not have the resources to be part of the League in its present format. This, in the first instance would become a matter for the League Officers to resolve with the culpable club.

11.8 The Club with the highest number of points in both divisions at the end of the season shall be declared the Divisions Champions. In the event of a tie on points, the Club with the highest shots difference shall be declared Division winners.

Failure to comply with the Challenge date will result in the Opponent becoming the Challenger and taking responsibility for offering play dates and choice of venue.

If through bad weather or unforeseen circumstances an agreed match cannot be completed before the closing date of a round, an extension can be requested from an Officer. If granted, the match must be played within 7 days after the round "play by" date. If clubs cannot mutually agree dates the League Officers will arbitrate. Their decision could include DISQUALIFICATION of one or both Clubs.

12.5 Before the start of the match the team Captains will exchange scorecard with all players listed and in which discipline they will be playing in. A toss of a coin will allow the winner to decide if they wish to take the mat on the first end of all disciplines or pass the mat over to the opponent. A further toss of the coin will decide who will take the mat on any tied disciplines should an extra end(s) be required to give a clear winner. A blind draw determines which rinks are used for each of the five events (no player may change events after the cards have been exchanged).

The Team events will start together at the agreed start time, the 4 wood Singles will start 30 minutes later and the 2 wood Singles will start a further 30 minutes later.
